The team at DISH Network is excited to announce that we are the proud title sponsor of the 2014 Inline Slalom Longboard & Freestyle Championships. This is the 3rd year in a row that DISH Network has been the title sponsor of this event. About the Inline Slalom Longboard & Freestyle Championships: The Inline Slalom Longboard and Freestyle Championships is a one day, full weekend action event with more than 60 different competitors from all over the United States. The festival will take place the weekend of January 26-27, 2014 in Bentonville, Arkansas. ESPN Inline Slalom will be working with the Boarding Area Waterparks to host the event at their location in Bentonville, Arkansas. "We are pleased to once again host a great event and give the athletes of all ages a chance to get some shred time, and to bring the entire Inline Slalom family together. We are honored to be the title sponsor again, and hope to have fun with the athletes and the fans in the Bentonville area." - Jamie Duncan, VP of Brand Marketing for ESPN Inline Slalom. Inline Slalom Longboard and Freestyle events are family friendly, and will be free to enter for spectators. I'd like to get a list of all the audio/voice-over people who have contributed to a show. We're looking for new matches that are in-depth, like a match for two hours. We're also looking for matches that are more random, like a backstage match in an arena or in the wrestling ring. The only stipulations are that the teams have to be in their prime and in-ring. You can submit your match by emailing [wrestling@ironyradio.com](mailto:wrestling@ironyradio.com)." Here are some videos I came across this week that I thought were pretty cool. This is a fan promo created for Wrestlemania. It's a really cool video. I wish I had the raw footage of
